The Con Alma Health Foundation of Santa Fe announces a call for funding under its Small Grant and Northern New Mexico Health Grant Group (NNMHGG) programs. Grant awards will be made only to qualified 501(c)(3) nonprofit organizations serving the residents of the state of New Mexico. The UNM Foundation (UNMF) will act as the fiscal agent for UNM grant applications. Con Alma's grantmaking priorities include:

- Investing in communities
- Investing in health basics
- Leveraging resources
- Investing in systems change

No grants are made for direct services, lobbying, scholarships/fellowships, or for capital costs, including property, construction or renovations. The foundation's grants may compliment, but shall not replace federal, tribal, state, city, town, or county government health programs. Con Alma will not pay any indirect costs.

Con Alma will fund Small Grant and Northern New Mexico Health Grant Group proposals up to \$15,000. Grant term is January 1, 2015 to December 31, 2015. Additional priorities and other information can be found at http://conalma.org/wp-content/uploads/2014/04/2014_Guidelines_Small.jpg. The deadline date for Small Grant full proposals to the Con Alma Foundation is Monday, June 2, 2014. The application window for Northern New Mexico Health Grant Group proposals is May 7, 2014 – June 30, 2014. NNMHGG grants will only support activities in Los Alamos, Rio Arriba and Northern Santa Fe counties.

This is a limited competition; each institution is limited to one proposal. Please submit a maximum 1-page concept paper describing your program and its match with Con Alma's priorities; impact of the program; and the requested amount (no detailed budget is necessary at this time) by NOON on Friday, May 9, 2014 to limited@unm.edu with the subject line indicating: Con Alma-your name.

No late submissions will be considered. Please note: an alternative selection process will be used for this particular limited competition. The Limited Competition Management Team will collect the concept papers and provide them to the Con Alma Foundation who will conduct the review and decide who will be invited to submit full proposals. The submission of the full proposals will be done through the UNM Foundation.
