What is Research Development?

“Research Development encompasses a set of strategic, proactive, catalytic, and capacity-building activities designed to facilitate individual faculty, teams of researchers, and administrators in attracting extramural research funding, creating relationships, and developing and implementing strategies that increase institutional competitiveness.”

National Organization of Research Development Professionals

<http://www.nordp.org/>

Building #26

Faculty Research Development Network

- Collaborates with other OVPR units and research support personnel in colleges, centers and departments to promote growth in campus external research funding.
- Embedded Research Development Specialists
 - ❖ School of Engineering
 - ❖ School of Architecture and Planning
 - ❖ College of Arts and Sciences
 - ❖ College of Education
 - ❖ College of Fine Arts
 - ❖ Office of the Vice President for Research
 - support other UNM colleges
 - support development of large, multi- and interdisciplinary team-based research initiatives and collaborative proposals

Services Offered by FRDO Network

- Primary point of contact for proposal development and pre-award services.
- Identification of funding opportunities, including targeted & customized searches, Early Career & seed funding.
- Advice & technical assistance with funding agency policies, proposal guidelines, & non-funded agreements
- Proposal editing & proofreading that emphasizes effective communication & responsiveness to funder requirements.
- Coordination of interdisciplinary & collaborative proposal development.

Services Offered by FRDO Network (cont.)

- Assistance identifying potential research collaborators within UNM, government, industry & the broader community.
- Proposal development management, including timeline development, meeting organizing & facilitation, assignment coordination, & record submission.
- Development of budgets & budget justifications, creation of Cayuse records & sponsor submission portals, biosketch formatting, drafting of letters of support, & providing other required documentation.
- Consultation on broader impacts & connecting with outreach programs.
- Graphics development and support.
- Limited Competitions internal process management.

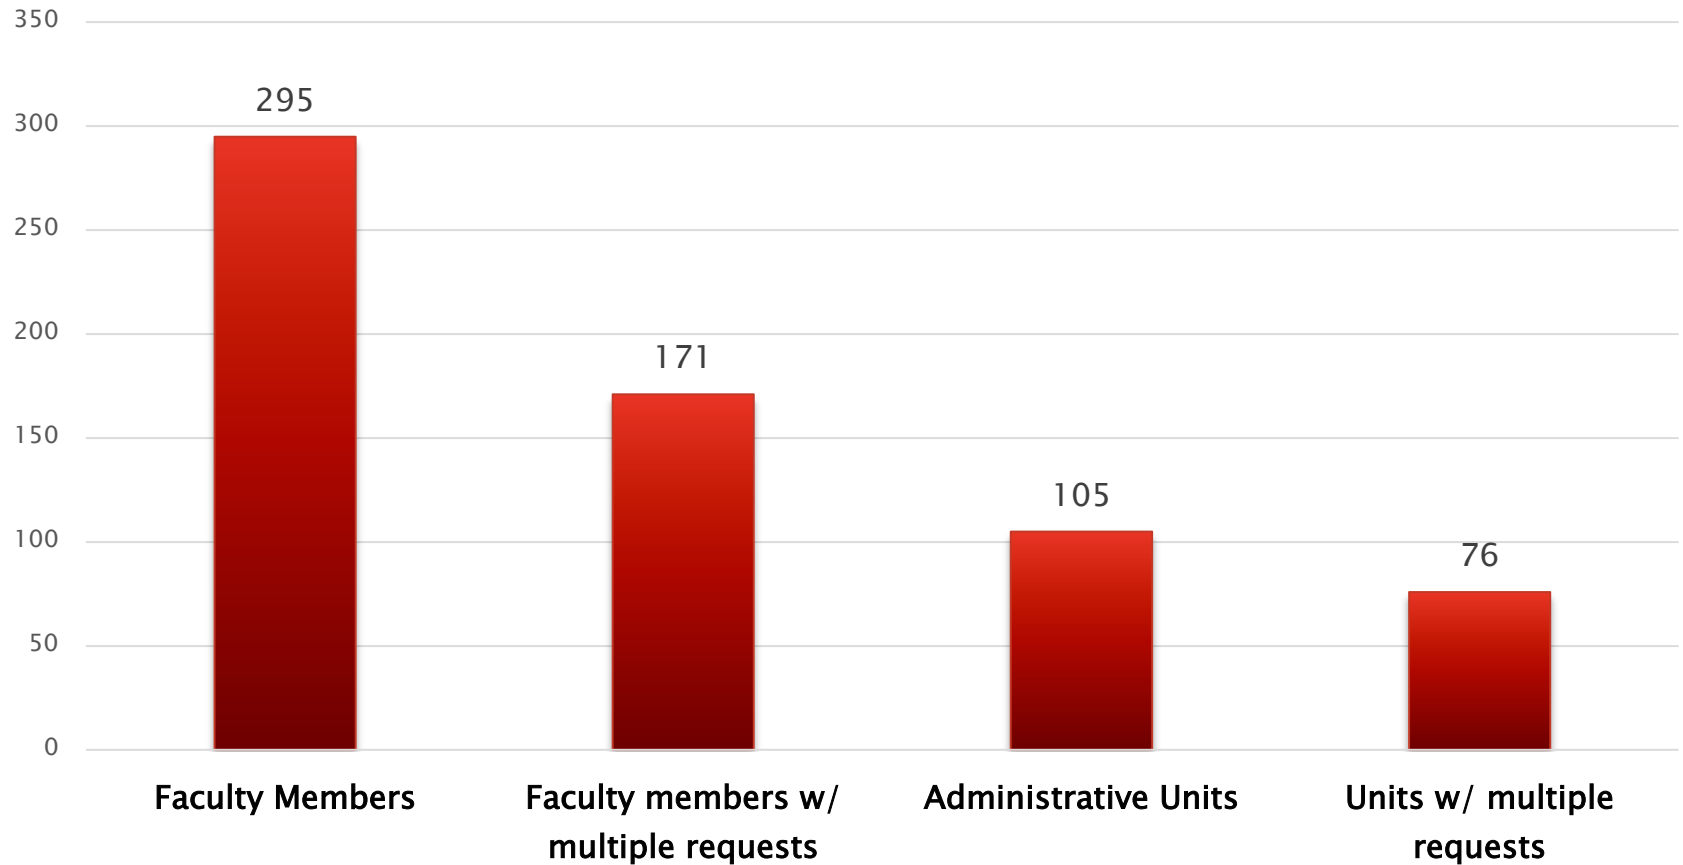

UNM Federal Direct Success Rate

Request Support

- Faculty Initiated Research Support Tool (FIRST)

Help is a click away: researchsupport.unm.edu

- Email FRDO: frdo@unm.edu
- Department Research Support Directory
http://frdo.unm.edu/dept_frdo_support

Getting Started: UNM Main Campus

- **PI listserv**
 - Subscribe for notifications about research-related events, funding opportunities, and limited competitions
 - https://list.unm.edu/cgi-bin/wa?SUBED1=ovpr_pi-l&A=1

- **Create UNM NetID/email address**
 - <https://netid.unm.edu/>

- **Request a Cayuse Research Suite User Account**
 - Cayuse is the UNM internal electronic routing/approval system
 - <http://osp.unm.edu/cayuse-research-suite.html>

- **Establish Sponsor Specific Access**
 - NSF-Fastlane, NIH-eRA Commons, Private Foundation Portals
 - <http://osp.unm.edu/cayuse-research-suite.html>

- **Complete Grants and Contracts Compliance Training**
 - Grants Management Training 100
 - Financial Conflict of Interest
 - CITI Human Subjects
 - <http://research.unm.edu/training-networking>

Identifying Funding Opportunities

These resources can be found on the FRDO website:

http://frdo.unm.edu/funding_opportunities

- Pivot
- Foundation Directory Online
- Guidestar: View foundation 990's
- New Mexico Grantmakers Directory
- Federal Agency databases
- UNM Limited Competitions
- UNM Seed Funding Opportunities

Upcoming Opportunities

FRDO Research Development Workshops –

This Fall, FRDO will organize workshops with follow-up consultations at the ADVANCE @ UNM space in the Communications and Journalism Building (Building #115).

Workshop themes include:

- September – The Proposal Process
- October – Communicating Effectively with Program Officers
- November – Working with the UNM Foundation

NSF Day

Wednesday, August 29, 2018

This workshop will provide an overview on proposal writing, the merit review process, and programs that fall within NSF's seven directorates, including opportunities crossing disciplinary boundaries. NSF representatives will offer presentations on each directorate, and will be on hand to answer questions and host discipline- and program-specific sessions.

Plan for Deadlines

**Meet with your
FRSO early and
often!**
