Subject: Limited Competitions: Limited Competitions: Big Data Regional Innovation Hubs: Establishing Spokes to Advance Big Data Applications (BD Spokes) NSF 17-546

Date: January 20, 2017

UNM Researchers,

The Office of the Vice President for Research is requesting e-mails of interest for the NSF, "Big Data Regional Innovation Hubs: Establishing Spokes to Advance Big Data Applications (BD Spokes)" funding opportunity. NSF limits the number of proposals per institution to one (1). See the following link for further details:
https://nsf.gov/publications/pub_summ.jsp?WT.z_pims_id=505264&ods_key=nsf17546

If you are interested in submitting a preliminary proposal, please send a statement of interest with a brief abstract (maximum 1 page pdf) of your proposal via e-mail to limited@unm.edu by **noon, Wednesday, June 28, 2017**. Your abstract must identify the regional BD Hub with which you intend to collaborate and indicate whether or not you have already engaged in discussions with the corresponding BD Hub PI. Based on the e-mail responses received, the Limited Competition Management Team may announce a call for preproposals. Please distribute this notice to departments and individuals whom you believe would be interested.

The deadline for full proposals to the agency is September 18, 2017.

If you are affiliated with HSC, please contact Corey Ford at 272-6950 for more information.
