Subject: Limited Competition: Pew Health Impact Project

Date: June 29, 2017

UNM Researchers,

The Office of the Vice President for Research is requesting e-mails of interest for the Pew Health Impact Project. The program will support grants for health impact assessments that address health in **one or more specific counties**: In New Mexico, the following counties are places of interest: Cibola, Luna, McKinley, Mora, Rio Arriba, San Miguel, Sierra, Socorro, Taos, Torrance, Valencia. Applicants may conduct an HIA on decisions at the local, regional, or state level but should articulate how the proposal will address health in one or more of the specified counties. The funding agency limits the number of proposals to one per organization. See the following link for further details: <http://www.pewtrusts.org/en/projects/health-impact-project/about/funding-opportunities>

If you are interested in submitting a preliminary proposal please send a statement of interest with a brief abstract (maximum 1 page pdf) via e-mail to [limited@unm.edu](mailto:limited@unm.edu) by **noon, Friday, July 7, 2017**. Based on the e-mail responses received, the Limited Competition Management Team may announce a call for preproposals. Please distribute this notice to departments and individuals whom you believe would be interested.

The deadline for full proposals to the agency is 8pm ET September 15, 2017.

Should you have any questions please feel free to contact us [limited@unm.edu](mailto:limited@unm.edu)
