Subject: Limited Competition: for two DOE opportunities:  
1. DOE, Data Reduction for Science, DE-FOA-0003266  
2. DOE, EXPRESS: 2024 Exploratory Research for Extreme-Scale Science, DE-FOA-0003300

Date: February 8, 2024

Dear UNM Researchers,

The Office of the Vice President for Research is requesting Statements of Interest for two **separate** DOE limited submission funding opportunities with required pre-applications due to the sponsor between February 29, 2024 and March 19, 2024. As a result of the short timeframe, we are including both in this letter:

**1. Data Reduction for Science, DE-FOA-0003266** <https://www.grants.gov/search-results-detail/351814>  
**Submission Deadline for Required Pre-Applications: March 19, 2024 at 5:00 PM EST**

**Limit of two (2) pre-applications** or applications as the lead institution.  
Award size: \$150,000 to \$400,000/year.  
DOE anticipates making awards with a project period of three years.

**2. EXPRESS: 2024 Exploratory Research for Extreme-Scale Science, DE-FOA-0003300**  
<https://www.grants.gov/search-results-detail/351894> **Submission Deadline for Required Pre-Applications: February 29, 2024 at 5:00 PM EST.**

**Limit to five (5) pre-applications** or applications as lead institution in a single or multi-institutional team.  
Award size: \$100,000 to \$300,000/year  
DOE anticipates making awards with a project period of two years.

This is a limited competition. If you are interested in applying to this program, please submit a statement of interest with a tentative project title and a brief project description (200 words) by **NOON on February 12, 2024** via UNM's [InfoReady Review portal](#). **\*\*Because there is not time for a committee review, if we receive more SOIs than submission slots available, we will use a random selection method to determine which will be allowed to move forward for submission to each program. Only SOIs received by the deadline will be included in the drawing.\*\*** No late applications will be considered.

Should you have any questions please feel free to contact us at [limited@unm.edu](mailto:limited@unm.edu).
