

UNM Limited Competition Announcement

Dear UNM Researchers,

The Office of the Vice President for Research is requesting statements of interest (SOIs) for the **DOE Fusion Innovation Research Engine (FIRE) Collaboratives** limited competition. This funding opportunity aims at creating a fusion innovation ecosystem, the “Fusion Innovation Research Engine (FIRE)”, by forming virtual, centrally managed teams called “Collaboratives”, that have a collective goal of bridging FES’s basic science research programs and growing fusion industries, including the activities supported under the FES milestone-based fusion development program.

Sponsor: DOE

Opportunity Title: Fusion Innovation Research Engine (FIRE) Collaboratives

Opportunity Number: DE-FOA-0003361

Sponsor Due Date(s): Pre-Applications: 7/09/2024; Full proposals: 8/27/2024

Award Range: \$2–\$5M per year

Number of Submissions Allowed from UNM: Four (4) as lead institution

Solicitation: <https://www.grants.gov/search-results-detail/354411>

Limited Comp. SOI Due Date: **NOON on June 13, 2024**

Limited Comp. Instructions: Submit your ~100-word SOI in UNM’s [InfoReady Review portal](#).

Because there is not time for a committee review, if we receive more SOIs than submission slots available, we will randomly select which will be allowed to move forward. Only SOIs received by the deadline will be included in the drawing.
