

## UNM Limited Competition Announcement

Dear UNM Researchers,

The Office of the Vice President for Research is requesting statements of interest (SOIs) for the **NEH Humanities Research Centers on Artificial Intelligence (20251210-RAI)** limited competition. This funding opportunity supports the establishment of new collaborative humanities research centers focused on gaining a clearer understanding of AI and its implications for the United States. Centers must be led by humanists and explore the humanities implications of artificial intelligence through at least two or more related scholarly activities, such as lecture series, workshops, colloquia, curriculum development, digital infrastructure, digital resources or publications, themed issues of peer-reviewed journals, or articles for the general public. Appropriate activities may also include collaborative research and writing efforts, education and mentoring, and the creation of digital tools to advance scholarly discourse about AI.
