

UNM Limited Competition Announcement

Dear UNM Researchers,

The Office of the Vice President for Research is requesting statements of interest (SOIs) for the **NSF Focus on Recruiting Emerging Climate and Adaptation Scientists and Transformers (FORECAST) (NSF 24-558)** limited competition. This funding opportunity serves to support Focus on Recruiting Emerging Climate and Adaptation Scientists and Transformers (FORECAST) that seeks to facilitate the transition from status quo graduate career preparation to a student-centered model with a particular emphasis on building entrepreneurial and innovation capacity at emerging research institutions (ERIs). UNM is only eligible to apply to the Track 1, which will support one Coordination Hub to coordinate support for rising seniors from emerging research institutions (ERIs) or historically excluded and underserved groups as part of a national cohort to participate in structured professional development opportunities.
