

UNM Limited Competition Announcement

Dear UNM Researchers,

The Office of the Vice President for Research is requesting statements of interest for the **NSF Hispanic-Serving Institutions: Enriching Learning, Programs, and Student Experiences (HSI: ELPSE) (NSF 24-551)** limited competition. This funding opportunity serves to enhance the quality of undergraduate science, technology, engineering, and mathematics (STEM) education and increase the recruitment, retention, and graduation rates of students pursuing associates or baccalaureate degrees in STEM at HSIs. This program is specifically focused on studying and improving the student experience in STEM courses, particularly for students pursuing STEM degrees; certificate, minor, and/or degree programs; academic departments or divisions; and schools and colleges. This solicitation accepts proposals in two tracks: Implementation and Evaluation Projects (IEP) and Educational Instrumentation (EI).
