

## UNM Limited Competition Announcement

Dear UNM Researchers,

The Office of the Vice President for Research is requesting statements of interest (SOIs) for the **National Institute of Health (NIH) Institutional Research and Academic Career Development Awards (IRACDA) (K12- Independent Clinical Trial Not Allowed) (PAR-22-212)** limited competition. The Institutional Research and Academic Development Award (IRACDA) Program provides support for mentored postdoctoral research experience at a research-intensive institution combined with an opportunity to develop critical teaching and mentoring skills at a teaching-intensive partner institution with a diverse student population. The goal of the IRACDA program is to develop a diverse pool of well-trained biomedical scientists who have the necessary knowledge and skills to pursue independent academic teaching and research careers, and to benefit the teaching-intensive partner institutions.
