

UNM Limited Competition Announcement

Dear UNM Researchers,

The Office of the Vice President for Research is requesting statements of interest (SOIs) for the **DOE Smart Manufacturing Technologies for Material and Process Innovation** limited competition. This funding opportunity seeks applications to address the development of smart manufacturing technologies that can contribute to a resilient, responsive, leading-edge, and efficient manufacturing sector that delivers the technologies needed for the nation's clean energy transition.

Sponsor: DOE/EERE

Opportunity Title: Smart Manufacturing Technologies for Material and Process Innovation

Opportunity Number: DE-FOA-0003329

Sponsor Due Date(s): 8/22/2024 **required** concept paper; 11/18/2024 full proposal

Award Range: \$350K–\$3M

Number of Submissions Allowed from UNM: One (1) as lead institution in each of the 4 topic areas

Solicitation: <https://eere-exchange.energy.gov/#Foald27ffe66b-e7d3-4068-8922-cd1b7180ad67> (6th in list of opportunities)

Cost Share: A 20% cost share is required **except for Topic Area 1, Area of Interest 3**. The match may not include funding from federal sources. Investigators are encouraged to identify college/departamental in-kind and cash contributions, and to get approval from their Chairs and/or Deans to allocate these resources for the match.

Limited Comp. SOI Due Date: **NOON on August 6, 2024**

Limited Comp. Instructions: Submit your ~100-word SOI in UNM's [InfoReady Review portal](#). ****Because of the short turnaround time (DOE only announced this competition last week), this limited competition will be conducted as a lottery. Only SOIs received by the deadline will be included in the drawing.****
