Subject: Limited Competitions: NIH The NCI Predoctoral to Postdoctoral Fellow Transition Award  
(F99/K00) (RFA-CA-17-014)

Date: January 20, 2017

UNM Researchers,

The Office of the Vice President for Research is requesting e-mails of interest for the NIH, "NCI Predoctoral to Postdoctoral Fellow Transition Award". The NIH limits the number of proposals per institution to one. See the following link for further details: <https://grants.nih.gov/grants/guide/rfa-files/RFA-CA-17-014.html>

The applicant must have a baccalaureate degree and be currently enrolled as a graduate student in the third or fourth year of a mentored PhD or equivalent research degree program (e.g., DrPH, ScD) in the *biomedical, behavioral, or clinical sciences* at a domestic institution. The applicant must be at the dissertation research stage of training at the time of award, and must show evidence of high academic performance in the sciences and **commitment to a career as an independent cancer research scientist.**

If you are interested in submitting a preliminary proposal please send a statement of interest which provides a brief narrative about yourself (up to 200 words), including your current PhD or equivalent research degree program, and your mentor's name and contact information via e-mail to [limited@unm.edu](mailto:limited@unm.edu) by **noon, Friday, January 27, 2017.** Based on the e-mail responses received, the Limited Competition Management Team may announce a call for preproposals. Please distribute this notice to departments and individuals whom you believe would be interested.

The deadline for full proposals to the agency is February 17, 2017.
